Titan Series LED Tickers

Bring A Vegas Atmosphere To Your Man Cave

You can't always make it to the live event, with a LED sports ticker you can experience the latest scores and odds at a glance from the comfort of your home.

Our sports service includes sports scores and odds for NFL, NHL, MLB, NBA, MLS, EPL, NCAA BB, and NCAA FB.

Create A Wall Street Atmosphere In Your Office

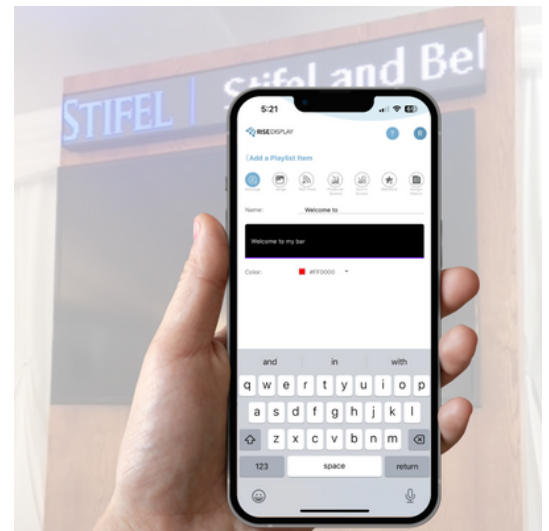

Everyone wants a cool space to work. At a glance a LED stock ticker can provide you an update on your portfolio, and the markets.

Our financial watchlist lets you create a list of stocks to watch from NYSE and Nasdaq traded stocks in real-time.

Inject Your Messages

The Mobile App lets you easily insert your messages. Simply type in a message, select your font size and color.

Welcome your friends, wish your family a happy birthday, post the fantasy draft order, anything you want.
